2+2 Articulation Agreement
between
Palo Alto College and TAMU Biomedical Sciences

This agreement serves to facilitate the admission and academic transfer of students from Palo Alto College in the Alamo Community Colleges to the Biomedical Sciences program (BIMS) in the Texas A&M University College of Veterinary Medicine and Biomedical Sciences. As students’ progress successfully toward the completion of the Associate of Science degree, this agreement will ensure the seamless transition of students into the BIMS program according to the provisions and conditions below:

1. Palo Alto students who complete the attached degree plan as full time students will be admitted to the BIMS program automatically, provided: they meet all other general admission requirements (i.e., transcripts, applications, time lines, deadline dates, etc.) for general admission to Texas A&M University.

2. Students must have maintained no less than a cumulative 3.4 GPA in the courses taken at Palo Alto and be eligible for graduation from Palo Alto.

3. Students must not have made any grade below a "B" in all of their Common Body of Knowledge (CBK) science and math course work.

4. This agreement will be reviewed on an annual basis and may be amended by mutual written consent of both parties by issuing an addendum to this agreement.

5. This agreement will commence effective the Fall 2014 semester with commitment of a five (5) year period.

EXECUTED in TWO (2) original counterparts on this 2nd day of May, 2014.
