# Emergency & Critical Care Conference Program

# Emergency & Critical Care Conference

National level continuing education in your own backyard! The TAMU ECC conference brings together nationally recognized speakers to keep you informed on timely topics in small animal emergency and critical care. This year's featured speaker is Dr. Elizabeth Rozanski from Tufts University. The conference offers an eclectic mix of topics addressing problems you see every week. Conveniently located in the new Veterinary & Biomedical Education Complex on the campus of Texas A&M, you will have easy access to local hotels, restaurants, and the Aggie experience!

## DON'T FORGET!
