Assistant or Associate Dean of Hospital Operations
College of Veterinary Medicine & Biomedical Sciences
Texas A&M University

The College of Veterinary Medicine & Biomedical Sciences (CVM) (<https://vetmed.tamu.edu/>) at Texas A&M University invites applications/nominations for the position of Assistant/Associate Dean of Hospital Operations and Chief Executive Officer of the Veterinary Medical Teaching Hospital (VMTH). We seek an individual with strong leadership skills who is forward thinking, team-oriented, and understands the intersection of our teaching, research, and patient care missions. A DVM degree (or equivalent degree) and at least 2 years veterinary clinical experience are required. Candidates must possess outstanding communication and interpersonal skills. Preference will be given to candidates with experience in large business operations and/or advanced training in business management. Preference will be given to candidates with certification in a specialty recognized by the American Veterinary Medical Association.

The VMTH is a world-class animal healthcare facility that sees over 22,000 small animals and 7,000 large animals per year. The hospital has continued to expand its operations by actively investing in cutting edge medical equipment, collaborating closely with referring veterinarians and clients, and building relationships with supporting departments. As such, the VMTH Chief Executive Officer will work closely with members of the Departments of Large Animal Clinical Sciences, Small Animal Clinical Sciences, and Veterinary Pathobiology to deliver state-of-the-art healthcare to our veterinary patients; support our growing clinical trials, telehealth and one health emphasis; and foster an environment that values teaching. The VMTH Chief Executive Officer also serves on the Executive Committee of the CVM and chairs the Hospital Board of the VMTH. The successful applicant may also be offered a faculty (clinical- or tenure-track) appointment, at a rank consistent with their experience.

A complete position description may be found at [here](#). Additional information about our departments is available on our web site ([College of Veterinary Medicine](#)). For more information on the Bryan/College Station area, please visit [ExperienceBCS.com](#).

All interested individuals are encouraged to apply. Minorities and women are strongly encouraged to apply. If you would like the challenge and opportunity to lead an outstanding veterinary teaching hospital and to become a member of the dedicated and innovative leadership team in our College of Veterinary Medicine & Biomedical Sciences, please submit: 1) a letter of intent describing your vision for the VMTH; 2) a curriculum vitae; and 3) contact information for four professional references to:

Dr. Susan Eades, Chair of Search Committee
