

TEXAS A&M UNIVERSITY

School of Veterinary Medicine  
& Biomedical Sciences

**DNA Technologies Core Lab  
VMR Building 1197, Room 226  
College Station, TX 77843-4467**

*Sam Stroupe, Graduate Student  
E-mail: [samstroupe@tamu.edu](mailto:samstroupe@tamu.edu)*

*Dr. James N. Derr  
Phone: (979) 862-4775  
E-mail: [jderr@cvm.tamu.edu](mailto:jderr@cvm.tamu.edu)*

## *Genotyping Service*

Contact Name: \_\_\_\_\_

Herd/Ranch Name: \_\_\_\_\_

Phone: \_\_\_\_\_

Address: \_\_\_\_\_

E-mail: \_\_\_\_\_

City: \_\_\_\_\_ State: \_\_\_\_ Zip: \_\_\_\_\_

### **Bison DNA Testing Services – Price List**

Mitochondrial DNA (mtDNA)

*Determine if individual has domestic cattle or bison mtDNA*

<100 Animals \_\_\_\_\_ # of Animals x \$15 = \_\_\_\_\_

>100 Animals \_\_\_\_\_ # of Animals x \$12 = \_\_\_\_\_

Microsatellite Parentage Testing (PRTG)

*Older technology (will phase this technology out)*

\_\_\_\_\_ # of Animals x \$50 = \_\_\_\_\_

Single Nucleotide Polymorphic (SNP) Parentage Testing

*New technology (includes mtDNA testing)*

\_\_\_\_\_ # of Animals x \$45 = \_\_\_\_\_

Rush genotyping services on request.

Please send this form via mail with samples or via email to [derrlab@tamu.edu](mailto:derrlab@tamu.edu).

For more details about each kind of testing, please visit [vetmed.tamu.edu/dnacore/bison-dna-testing](http://vetmed.tamu.edu/dnacore/bison-dna-testing) or contact Dr. Derr via email.

*Samples will be archived in the laboratory following analysis.*
