

REQUEST FOR RADIOGRAPHIC INTERPRETATION

NOTE: THIS FORM IS FOR REFERRING VETERINARIANS ONLY!

Instructions:

- Radiographic interpretation services are provided during normal, weekday business hours.
- *No after-hours, weekend, or STAT radiographic interpretation is currently available.*
- All portions of the form must be filled out.
- Studies submitted without a billing address will not be interpreted.
- Fees will be billed to the referring veterinary practice/clinic submitting the study. Once images and this completed request form have been received, a written report will be sent to the email address provided.
- **Submit images and this completed request form via email to: radreferrals@cvm.tamu.edu.**

Image Format:

- MRI, CT, and pre-purchase images **MUST** be in DICOM format.
- **It is strongly recommended that all images are submitted in the original DICOM format.**
- TIFF and JPEG images can be submitted, but may be of lesser diagnostic quality.
- *No images smaller than 150 DPI (dots/pixels per inch) will be accepted for interpretation.*

****Pricing as of September 1, 2024, which is subject to change without notice.****

- Radiographic Interpretation (<10 Images): \$142.00
- Radiographic Interpretation (≥ 10 images): \$185.59
- Radiographic Interpretation Equine pre-purchase: \$397.59 (Must be in DICOM format)
- MRI/CT Interpretations: \$241.00 for primary area (MUST be in DICOM format)
- MRI/CT Interpretations: \$151.20 for additional areas (MUST be in DICOM format)
